# A Pilgrim's Journey

We will meet 5 evenings to share about the Autobiography of St. Ignatius. By reading this book and sharing about it, we can understand better the sources of Ignatian spirituality and discernment.

This reading group is open to all between 18 and thirtysomething. We will meet a first time on 17 January at 19h30 in the Pastorie of the Krijtberg and we will decide on the following dates together.

The language is English and participation is free, but you need to register at [koster@krijtberg.nl](mailto:koster@krijtberg.nl)
